AISA Study Project ML Deployment Options: Meeting minutes

2023.11.23

- TOP1: Criterien
    - The criterien that listed were for ML Pipeline, not for ML Deployment.
- TOP2: Deployment Tools
- TOP3: Organizational
    - Suggestions about next to-do:
        - A study design needs to be formulated
        - Review (grey) literatures
        - A timeline would be nice to have.
